### **Stoughton Utilities RoundUp Program Donates \$1,000 to St. Vincent de Paul – St. Ann**

Stoughton Utilities recently donated \$1,000 to St. Vincent de Paul – St. Ann. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

St. Vincent de Paul – St. Ann helps Stoughton residents who are having a difficult time paying rent and are in danger of eviction. They also assist with utility bills, medical needs, and help some homeless people find warm places to sleep.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at [stoughtonutilities.com/roundup](http://stoughtonutilities.com/roundup), or by calling Stoughton Utilities customer service at (608) 873-3379.

###

Founded in 1886, Stoughton Utilities serves electric customers in Stoughton and the surrounding area; and wastewater and water customers in Stoughton.
